Less Cash Money

A good plan makes your holiday more comfortable and safe. Taking less cash money will dismiss you from things that are not desirable. The crime is around you wherever. Otherwise, put your money in different places and use debit or credit card only in particular time. Don't put all your finance in the wallet, just in case it is stolen, you still have reserve money.

Transportation

In Bandung, you can take public transport to go anywhere, even though using public transport needs more time and is not so comfortable. The alternative is driving your personal car to avoid the blazing sun in the afternoon. However, you can also rent a car from Dirgantara Car Rental Bandung which is relatively cheap. If you use the driver service from car rental Bandung, you just sit in the car and enjoy the view. The driver will drive safely and take you anywhere around Bandung.
