  Period : August 2007 – March 2010

  1. Project : Service Jack Up (HEAVEN)

     Class : DNV

     Owner : Master Marine AS

  2. Project : Service Jack Up (NORA)

     Class : DNV

     Owner : Master Marine AS

- **PT. Wasco Engineering**, Batam - Indonesia

  Position : ***E & I Designer*** (Engineering Department)

  Period : April 2010 – March 2012

  Project : Module OSX 3 FPSO

  Class : ABS

  Owner : Modec

- **PT. Batamec Shipyard (Otto Marine Pte. Ltd)**, Batam - Indonesia

  Position : ***Assistant Electrical Engineer*** (Engineering Department)

  Period : March 2012 - Present

  1. Project : H 7063 (MT 6022 XL) - Drilling Vessel

     Class : DNV

     Owner : Norshore AS

  2. Project : H 7074 & H 7075 - Supply Vessel

     Class : ABS

     Owner : PT. Pertamina Trans Kontinental

  3. Project : H 7101 & H 7102 (3000 BHP) - Harbour Tug

     Class : ABS

     Owner : PT. Pertamina Trans Kontinental

Duties and Responsibility:

- Prepare of Cable Routing.
- Make and prepare of Cable Schedule.

- Design, check and review of Cable Ladder Route (Layout).
- Design, check and review of Single line for Power system, Control system and Signal system.
- Design, check and review of Termination drawing for all system.
- Design, check and review of Electrical Equipment layout.
- Find of the solution if any trouble.
- Update drawing to next revision if any comment or mistake from client and Electrical production for all system.
- Follow up and responsibility customers request.
- To calculation how many materials have been using.

Seminar:

- Offshore Support Vessels - Technology Innovation and Operational Support.
  By **Lloyd's Register**

Reason for leaving:

- To increase, develop and deepen my knowledge and experience.

Current and Expected salary:

- Current salary: -
- Expected salary: -

Driving License:

- A and C

Hobbies:

- Football, Futsal, Badminton, Music and Reading.

I decelerate that particular in this application and the attachments fact.

Batam,

INDRA KELANA, ST
